

2019 Ascheri Barolo Pisapola

With fruit from the beautiful village of Verduno, the 2019 Barolo Pisapola opens to a slightly sweet-smelling bouquet with blood orange and apricot. Those notes are momentary because in a second moment the wine offers rose, red licorice and grilled rosemary. This wine shows unique floral freshness and accessibility with a silky close. Only 3,500 bottles were made, and this wine only appears in the best vintages; otherwise, the fruit is used elsewhere.
