

2020 Ascheri Barolo Ascheri

The Ascheri 2020 Barolo Ascheri (from an MGA site in La Morra) has high-toned red fruit that comes forward generously, thanks to the youth of the wine. Beyond that, you get licorice, tar, new leather and blackcurrant. It balances out nicely with tight tannins that are not overtly astringent. This hot-vintage wine leans toward softer tannins overall. Ultimately, the concern is whether there is enough acidity for ambitious aging potential.
