2020 Ascheri Barolo Pisapola

The Ascheri 2020 Barolo Pisapola opens immediately to dark fruit and sweet cherry that is accented by black pepper and spice. The wine shows good floral definition with hibiscus tea. Compared to the village Barolo, this wine has a more graceful and pretty side. It is also accessible and almost ready straight out of the gate. It closes with tight tannins that are almost gummy (and the acidity is moderate in this hot vintage). Production is 4,800 bottles.
