2020 Ascheri Barolo Sorano

The Ascheri 2020 Barolo Sorano (with 4,200 bottles made) has characteristic mineral notes with rusty nail and petrichor, but these are subdued in this hot vintage. Fruit comes from Serralunga d'Alba, the village that accounts for some of Barolo's most powerful wines. However, in 2020, you get your classic tar and roses Barolo with a mid-weight finish and a bouquet that is already starting to show some tertiary definition. The acidity is just enough for now, but the jury is out on how much longer this will go.
